

# Happy Bunny

A community project to spread happiness & positivity

*Disclaimer: The sole purpose of this white paper is to provide information on the potential initial coin offering of tokens ("Tokens") in relation to the Prestige Coin project (as described herein).*

*The draft white paper and its contents do not, and are not intended to, constitute, or form any part of, an offer for sale, prospectus, or invitation to subscribe for or purchase Tokens, nor shall the white paper, or the fact of its distribution, form the basis of or be relied upon in connection with any contract or commitment to acquire any such tokens.*

*The white paper is not a recommendation to purchase Tokens and neither the white paper nor its contents constitute "investment advice" for any purpose.*

*Before purchasing Tokens, potential purchasers are strongly advised to take professional advice. No representation or warranty is given as to the information contained in the white paper which has not been verified, and no reliance should be placed upon such information.*

*Token sales or coin offerings are typically a highly speculative form of investment. Investors should be prepared for the possibility of losing their investment completely. Investment in token sales or coin offerings is not subject to existing capital market regulations and protections. Potential purchasers should be aware that no established market exists for the trading of the Tokens.*

*Statements contained in the White Paper may constitute "forward-looking statements". Forward-looking statements are generally identifiable by the use of the words "may", "will", "should", "plan", "expect", "anticipate", "estimate", "believe", "intend", "project", "goal" or "target" or the negative of these words or other variations on these words or comparable terminology.*

*Forward-looking statements are based on current expectations and involve a number of known and unknown risks, uncertainties and other factors that could cause the Tokens' actual performance to be materially different from any future performance expressed or implied by such forward-looking statements.*

*You should not place undue reliance on forward-looking statements and no undertaking is given to publicly update or revise any forward-looking statements that may be made herein, whether as a result of new information, future events or otherwise.*

## Abstract

*When you are happy and you know, you buy a Happy Bunny. Happy Bunny is a community project that seeks to spread happiness and positivity through its native digital currency.*

## Introduction

The Happy Bunny project aims to build a global community that cares about the society through its native digital currency. Beyond being just a community coin with a cute bunny meme icon, the project aims to create a happy and positive impact on the world with the Happy Bunny coin.

## The Happy Bunny coin

The Happy Bunny coin is a decentralized peer-to-peer cryptocurrency built to spread happiness & positivity. Besides facilitating peer-to-peer transfer of payment on the blockchain and being a good store of value, the Happy Bunny also supports various causes in animal welfare, education, and the environment.

Tokens are issued on the Polygon MATIC network, a protocol on the Ethereum blockchain, with symbol \$HAPPYBUNNY and total fixed and pre-minted supply of 120 million tokens. An 6% transaction fee apply, of which 3% goes towards automatically providing liquidity on QuickSwap, while another 3% are distributed back to holders. 20 million tokens are reserved for marketing such as airdrops, as well as the development of Happy Bunny Foundation.

## The Happy Bunny Foundation

The Happy Bunny Foundation seeks to do good, focusing on causes related to animal welfare, education, and the environment.

Lead the change and make the world a better one by supporting the Happy Bunny Foundation through buying a \$HAPPYBUNNY.
